

Child Protection and Safeguarding Policy - Executive Summary of Key Principles

Date of publication: April 5th 2018

Review date: September 2018

Key Principles

1. The policy is consistent with statutory guidance **Working Together to Safeguard Children (DfE 2015)** and **Keeping Children Safe in Education (DfE 2016)**; and local inter-agency safeguarding procedures issued by Local Safeguarding Children Boards.
2. All staff and volunteers must read Part One of **Keeping Children Safe in Education 2016**. All SLT members and staff who work directly with children (e.g. teachers, teaching assistants, lunchtime supervisors, pastoral support staff) must also read Annex A.
3. All staff and volunteers must read the full Child Protection and Safeguarding Policy and the Staff Behaviour Policy (Code of Conduct) before starting work with children. This document serves only as a brief reference point for staff, parents, governors and other stake holders.
4. The Strategic Leader of Education with responsibility for Safeguarding at Community Academies Trust (CAT) is Jo Howell.
5. Every school in CAT has a Designated Safeguarding Lead (DSL) who is a member of that school's Strategic Leadership Team.
6. The DSL will ensure that all staff and volunteers receive a robust induction into the school's safeguarding arrangements, which will include a requirement that they read the key statutory guidance and safeguarding policies before starting work with children.
7. All staff and volunteers have a responsibility to safeguard and promote the welfare of children.
8. All staff and volunteers must have a full and active understanding of child protection procedures and definitions and indicators of abuse, as detailed in the full Child Protection and Safeguarding Policy, in order to safeguard children at school effectively.
9. Every CAT school is committed to offering early help to those children who need it. Staff are trained to be vigilant and to record and report all concerns and issues that indicate a child may require early help or that there may be a safeguarding issue to the DSL.
10. The DSL will consider all such concerns and issues and will make a judgement about whether to monitor the child's progress, discuss with parents/carers, offer early help or make appropriate referrals. The DSL will record actions and decisions taken and referrals that are made. If early help is appropriate the DSL will keep the case under constant review.
11. Staff recognise that some children are particularly vulnerable and therefore more likely to require early help or safeguarding. Those children include children with special educational needs and disabilities; those who are looked after by a Local Authority; those living in families experiencing adult substance abuse, adult mental ill health and/or domestic abuse; and children showing signs of engaging in anti-social or criminal behaviour.
12. Every CAT school recognises that children who run away, go missing and/or are absent from school are potentially vulnerable to abuse, exploitation, offending and placing themselves in situations where they may suffer physical harm.

13. CAT schools will therefore work actively in partnership with parents/carers and other agencies to understand and improve poor school attendance and address issues of children running away and going missing from home.
14. All CAT schools have a duty to teach children about safeguarding and how to keep themselves safe, including online, as part of providing a 'broad and balanced curriculum.'
15. The CAT Whistleblowing Policy enables staff to raise concerns or allegations, initially in confidence, and for a sensitive enquiry to take place.
16. Staff are expected to report all concerns about poor practice or possible child abuse by colleagues to the headteacher. Concerns or complaints about the headteacher should be reported to the Chair of the Local Governing Body/Education Advisory Body. Staff can also contact the Designated Officer in the Local Authority (LADO), who is responsible for the co-ordination of responses to allegations against people who work with children. For staff who do not feel able to raise concerns internally, relevant contact details for the LADO are available in the appendices of the CAT Child Protection and Safeguarding Policy. The NSPCC whistleblowing helpline can also be contacted on 0808 800 5000 or by emailing help@nspcc.org.uk.
17. All staff in CAT schools, including the headteacher, volunteers and governors will receive appropriate and regularly updated safeguarding and child protection training and at least annual updates to provide them with the requisite skills and knowledge to safeguard children.
18. All DSLs in CAT schools will attend bespoke training for newly appointed DSLs and refresher training every two years, delivered by the appropriate Local Authority. DSLs will also update their knowledge and skills at least annually to keep up with any developments relevant to their role.
19. All CAT schools seek to ensure that only 'safe' staff and 'safe' volunteers are recruited to work with children in our schools by following the statutory guidance and the school's Safer Recruitment procedures and by embedding safeguarding in recruitment and induction processes and the ongoing management of staff and volunteers.
20. Child protection issues warrant a high level of confidentiality. All staff across the Trust will ensure confidentiality protocols are adhered to and information is shared appropriately. Although school staff will discuss day-to-day concerns about pupils with colleagues, they should report all child protection and safeguarding concerns to the DSL or headteacher or - in the case of concerns about the headteacher - to the Chair of Governors. However, any member of staff can contact and/or make a referral to Children's Social Care if they believe that is the only effective way to safeguard a child.
21. All staff and volunteers must be mindful of specific requirements in relation to the use of technology, including online behaviour and the taking and storing of images of children.
22. Each DSL is responsible for ensuring that all staff and volunteers have a meaningful awareness of a range of specific safeguarding issues as defined in paragraph 29 and Annex A of *Keeping Children Safe in Education 2016*. The DSL will make a judgement about which staff are required to read and understand Annex A. In particular, staff need to understand issues and risks in relation to radicalisation, extremism and the promotion of fundamental British values; child sexual exploitation; children who display sexually harmful or inappropriate behaviour including sexting; and so-called honour based violence including female genital mutilation and forced marriage.
23. Additional emergency support and advice is also available from Jo Howell at j.howell@communityacademiestrust.org or on 07484 515841.
