The Governors of Stratford-upon-Avon Primary School seek an excellent class teacher to join the friendly team of our popular school who were awarded Outstanding by OFSTED in December 2018.

Stratford-upon-Avon Primary School is a school at the heart of its community. Located in the beautiful historic town of Stratford-upon-Avon, surrounded by small villages and open country-side, we are a town school where many comment on the 'village feel' of our over-subscribed one form entry school.

Stratford-upon-Avon is an enviable, wonderful place to teach and an inspirational place to be a pupil. We are very privileged to work with over 200 enthusiastic and positive children whose superb behaviour contributes strongly to the school ethos.

We are proud of our committed staff at all levels. Our motivated teachers are a professional and friendly team who are strongly supported by our Teaching Assistants. Our Midday Supervisors, Site Management and Administration teams share our determination to drive forward progress together.

We look forward to welcoming and supporting an excellent teacher who is a committed, dynamic and exciting classroom practitioner to join us in our continuing improvement journey.

The successful candidate will:

- Be an excellent classroom practitioner who ensures that all children whatever their ability make great progress.
- Be a dedicated professional with the gift to inspire children and their colleagues.
- Set the highest standards for themselves and others.
- Have excellent subject knowledge which they use to engage children.
- Work successfully and positively in partnership with parents and our community.

You will benefit from:

- Pupils who are keen to learn and very well behaved
- Colleagues who are great 'team players', supportive and welcoming.
- Parents who are extremely supportive and encourage their children to do their best at every opportunity.
- Professional development opportunities for teachers at all stages in their career.
- The opportunity to work closely with other primary schools and professionals.

We welcome visits and would be delighted to show you around our wonderful school.
